### BID #10-17-18 Bid Notes

1. We are quoting 5/8" thick blades. We also have available a heavier 3/4"-thick blades. Pricing for those is as follows:

- 3/4"x6"x7', 5/8" or 3/4" bolts, \$57.86 each
- 3/4"x8"x7', 5/8" or 3/4" bolts, \$81.77 each

2. Minimum purchases apply to grader blades. We cannot fulfill less than the following minimum quantities per drop:

- 5/8"x6"x7', 5/8" or 3/4" bolts, minimum order 120 blades
- 3/4"x6"x7', 5/8" or 3/4" bolts, minimum order 100 blades
- 5/8"x8"x7', 5/8" or 3/4" bolts, minimum order 90 blades
- 3/4"x8"x7', 5/8" or 3/4" bolts, minimum order 70 blades

Minimum purchases assume you are ordering only one kind of blade. If multiples are desired (example: 5/8"x6"x7' and 3/4"x8"x7'), total quantity ordered must be equal to or greater than the largest minimum requirement.

3. No warranty applies to high-carbon grader blades. We recommend heat-treated as a superior, warrantied alternative.

4. Current lead time is 3 weeks after receiving order.

5. Prices on this bid are guaranteed for 3 months from bid opening date. Due to fluctuations in the steel market, we are urging customers to order in quantity now because prices will likely increase significantly over the next several months.

If you have any questions, please contact us at the above numbers or via email at [ian@wearpartSCO.com](mailto:ian@wearpartSCO.com).
