

Wendy Johnson, Texas County Clerk

319 N Main – PO Box 197 – Guymon, Oklahoma 73942
580-338-3141 – Fax 580-338-4311

From: Wendy Johnson
Texas County Clerk

Subject: Zoning Requirements or County Building Permits

To Whom it may concern,

I am writing this letter to verify that Texas County has no zoning regulations or building permit requirements, with the exception that all must meet state regulations.

The only permit the County issues is a utility permit for road crossings.

Salvage yards must have a solid fence around them to conceal the yard.

Please contact me if you should have any further questions.

Sincerely,

Wendy Johnson
