and be a minimum of 4 feet below the ditch flow lines. Conduit placed beneath a roadway must be steel, HDPE, heavy duty PVC, or fiberglass if it is designed to withstand roadway loading and is properly protected.

Steel pipelines crossing the right-of-way may be installed without encasement if the carrier pipe material within the right-of-way is superior to the carrier pipe material outside the right-of-way by being of steel at least one grade better and of the same wall thickness, or a minimum of one wall thickness greater and of the same alloy. Pipe must be properly protected from corrosion.

Facilities such as water and sanitary sewer lines crossing the county right-of-way shall be encased. The Board of County Commissioners may approve a line without casing if cast or ductile iron, HDPE or material of equal design is used. Maintenance will be performed by a method that will not disturb the through lanes or interfere with traffic. All conduits shall be sufficient to withstand roadway loadings.

- 9 All section corners and ¼ section corners shall be protected. No lines shall cross within 50 feet of a ¼ section corner or 100 feet of a bridge.
- 10 Owners of all facilities shall be responsible, at their expense, for decommissioning of sites. Roads and right-of-way shall be restored to the original condition or better.
- 11 The granting of this temporary easement does not take into consideration whether or not the adjoining property owner is entitled to compensation for the easement being placed in the county road right-of-way.
- 12 Above ground water line running parallel with road shall be placed within 3 feet of fence line as not to disrupt road maintenance. Any line interfering with road maintenance equipment will be removed.

Schedule of Fees

|                 |           |
|-----------------|-----------|
| Road Bored      | \$500.00  |
| Cut or Trenched | \$5000.00 |
| Overhead Lines  | \$500.00  |

If a line is placed in county right-of-way without a utility permit, there shall be a fine of \$10,000.00 plus court fees.

Ag Permit

|   |         |
|---|---------|
| When Bored for all Water or Low Pressure Gas Line | \$25.00 |
| When Bored for a Telephone Line                   | \$50.00 |
| For Overhead Electric Lines                       | \$50.00 |

I hereby attest to the accuracy of the information contained on this application. I further certify that, in my professional opinion, the facility line as installed, the drawings, plans and specifications therefore comply in all respects with the requirements of said permit.

CERTIFICATE OF COMPLIANCE  
(Utility Permit # 86-15-16)

PLEASE NOTE: an officer must sign this Certificate of Compliance of your firm or a Project Director.

I, the undersigned \_\_\_\_\_, do hereby certify that I am \_\_\_\_\_ (title), a person deemed qualified by the Permit Holder to inspect said installation, and that I have personally inspected a utility pipeline facility and all drawings, plans and specifications therefore; installed by Jason Wilhelm (permit holder) at (give legal description):

NE 1/4 of the N/2 of Section 36 Township 3 Range 15  
E 220 Parallel the Right of way

I further certify that I have read the provisions of the Facility and Pipeline Utility Permit Submitted by the above Permit Holder to the Board of County Commissioners for installation of a line at the above location. I further certify that, in my professional opinion, the facility line as installed, and the drawings, plans and specifications therefore comply in all respects with the requirements of said Permit.

RESOLUTION FOR APPROVAL OF UTILITY PERMITS  
(RESOLUTION # 86-15-16)

WHEREAS, the Statutes of the State of Oklahoma [OKLA. STAT. Tit. 18, § 437.2 and 438.4 (1991) and OKLA STAT. Tit. 69, § 1401 (1991)] provide that rural electric cooperatives, telephone cooperative corporations and public utilities shall have the right-of-way and all easements pertaining thereto for the purpose of erecting poles and posts, attaching equipment wires and fixtures thereto and laying lines, pipes and conduits under the surface thereof.

WHEREAS, Jason Wilhelm has requested this Board's approval of placement of utility lines (poles, pipelines, telecommunication lines or power lines) within the County right-of-way at the following location, to-wit:

NE/4 of the N/2 of Section 36 Township 3 Range 15  
E220 Parallel the Right of way

WHEREAS, petitioner must meet all requirements of the permit.

THEREFORE, BE IT RESOLVED, the Board of County Commissioners of Texas County, Oklahoma, does hereby consent to the placement of a distribution line according to the requirements as set forth in the completed Permit Application attached. With the following special instruction to be included:

All requirements of the permit must be met and it shall be trenched.

PERMIT # 86-15-16 Granted this 2nd day of May 2016.
