

RESOLUTION NO. 143-12-13

CONCERNING TEMPORARY AND CLOSED BRIDGES

WHEREAS, Texas County has been provided with the attached list of bridges which have been on Oklahoma Department of Transportation inventory as temporary and closed bridges for five (5) years or more without a change in status.

WHEREAS, Texas County has reviewed Oklahoma Department of Transportation list of temporary and closed bridges.

WHEREAS, Texas County has determined that the following bridges are not included in the counties five (5) year program and no longer need to be included in the Bridge inventory.

THEREFORE, BE IT RESOLVED, by Texas County that these bridges may be removed from the Bridge inventory.

ADOPTED this 8th day of April, 2013.

ATTEST:

Marcia Harrington
COUNTY CLERK

Bridges Removed From The Inventory Due To Item 41 = 'E' or 'K' For More Than 5 Years

3/28/2013

Any bridge which has been continuously closed or temporary for the past 5 or more years should be removed from service unless the bridge owner has current plans replace or repair the structure.
